Rev. James Kinnear (Jim) will guide you through the process of offering evidence of survival to grieving clients. Jim will assist you in improving the quality and detail of the information brought through from spirit while helping you to build the confidence needed to do this work. This course is best suited for those with some experience in communication with the spirit world.

In this course, you will learn how to:

- ✚ Prepare for the reading
- ✚ Establish intent and purpose with your sitter
- ✚ Bring forth the most impactful information from spirit
- ✚ Stay in the power for the length of the sitting
- ✚ Recognize potential challenges and ways to address them

This course will be IN-PERSON, held at the Spiritualist Society of Burlington.
